Looks matter, but good design is more than that. I find my motivation in creating great user experiences which entice the user to interact out of curiosity, rather than need. I may be analogue in my heart (who doesn't love the smell of a magazine fresh of the press?), but love to experiment and develop in the ever-changing world of digital media.

Work experience

2022 -

UX/UI Designer, Styreplan AS

Tasked with restructuring onboarding and ftue.

Established design system. Developed a new visual identity. Started as summer intern, now part time employee.

2021 -

Designer and editor, Hedalen Culture festival

Designed posters, website, and social media content. Photography for marketing and documentation purposes.

2020 -

Designer, UKM Norge

Creating visual identity and design systems. Implemented in editorial design and social media content.

2019 -

CEO, Gunderhuset Produksjon

My own company delivering all kinds of graphic design and photography services on physical and digital medias.

2023

Intern, We Oslo

Worked two months as a graphic design intern as part of my studies at Kristiania. Worked with everything from webdesign to editorial book design.

2016 - 2022

Sales assistant, Jernia

In stores sales assistant in a Norwegian hardware store.
